

Label description - Appendix F

Description of special requirements for SmartPOST to Finland

Version 001 (1/11-2014)

Final

SmartPOST

SmartPOST is a solution created by our Finnish partner Itella that makes it possible to route B2C parcels to parcels lockers in Finland.

The SmartPOST system is used by adding service code **11 - Pickup Locker** to Bring product **342 – CarryOn HomeShopping BulkSplit**.

Label

To direct parcels to SmartPOST parcel lockers the standard Bring labels must be slightly adjusted:

- **Special text in the upper right corner**
Following text must be added in the upper right corner of the Bring label:

SmartPOST 16 EDI SSI

- **Itella Package-ID in accordance with the FACT Licence Plate standard**

Symbology Code 128

Contents
